

Groups for MJ start at just 10 ticket buyers attending the same performance, booked by one group leader. Group tickets start at just \$49, and Broadway Inbound can get you started!

If you have 10+ people, you can buy as a group:

- **RELIGIOUS ORGANIZATIONS:** Many houses of worship organize monthly outings, Wednesday matinee clubs, and annual fundraisers.
- **FRIENDS AND FAMILIES:** Friends and Families seeing theatre together has always been a popular night out. Encourage your friends to celebrate their birthdays on Broadway.
- **SOCIAL/LEISURE CLUBS:** Many people belong to clubs and social organizations, like fraternal organizations, book clubs, or hobby enthusiast groups.
- **THEATRES:** Theatres of all kinds organize trips to Broadway - community and regional theatres, or the cast from your High School Play.
- **FUNDRAISING:** Many non-profit organizations book groups as fundraisers, a unique way to generate donations.
- **CORPORATIONS:** Employee outings and client events are hugely popular. Law offices love to take their summer associates to a show.
- **SCHOOL GROUPS:** School trips to Broadway have never been more popular. In addition, we see a lot of groups from alumni associations, fraternities and sororities, PTAs, drama clubs, etc.
